The board of education shall adopt a budget each year to support the school district's programs and services for the ensuing fiscal year. The superintendent of schools shall be responsible for developing the budget subject to the direction and decisions of the board. The budget document shall be under continuous development, based upon the requirements of the adopted educational program.

Proposed Budget. The superintendent shall prepare the proposed budget in accordance with board policies and goals, state statutes, and regulations. As the district's spending plan, the budget will be based on up-to-date revenue estimates, and will reflect the assessed needs and programs approved by the board.

Budget Hearing Notice. Notice of place and time of the hearing, together with a summary of the proposed budget statement, must be published at least four calendar days prior to the date set for hearing in a newspaper of general circulation within the school district. The four calendar days shall include the day of publication but not the day of hearing.

Budget Hearing. The board must conduct a hearing prior to adopting the budget. The hearing must be held separately from any regularly scheduled meeting and may not be limited by time. Any member of the public desiring to speak on the proposed budget statement shall be allowed to address the board at the hearing and must be given a reasonable amount of time to do so. Five minutes shall generally be considered a reasonable amount of time.

Budget Hearing Documents. The board must make at least three copies of the proposed budget statement and at least one copy of all other reproducible written material to be discussed at the hearing available to the public at the hearing.

Budget Adoption. After the budget hearing, the proposed budget statement shall be adopted or amended and adopted as amended. If the adopted budget statement reflects a change from that shown in the published proposed budget statement, a summary of the changes (including the items changed and the reasons for such changes) must be published in a newspaper of general circulation within the school district within twenty calendar days after its adoption without further hearing.

Certification and Filing. The amount to be received from personal and real property taxation shall be certified to the appropriate levying board as provided by law. The budget shall also be filed with the state auditor.

Purchase Authorization. Except for bids required under the section "Bid Letting and Contracts," the board's adoption of the budget shall authorize the purchases without further board action.
